

MAIZER

OUR PURPOSE

Our founders faced and overcome the greatest food challenge of their time. With collaboration and curiosity, they helped save the lives of millions. Since then, we have continuously developed solutions that improve and increase global food production more sustainably. But the disruptions of recent years have shown how fragile the food system is and how it threatens food security. We have more mouths to feed and limited resources to draw upon.

At MAIZER, we are working tirelessly to meet these challenges head-on. Through integrated, science-based solutions, we're helping to lead a food system transformation to protect nature better, increase affordable food access, transition to clean energy, and improve livelihoods. Collaborative leadership will grow our potential to do good and secure a resilient food system while protecting and restoring our planet.

OUR MISSION

Our mission is our reason to exist. It defines our company's purpose and role in the world.

We believe knowledge grows and has the power to create positive global change.

We understand that knowledge helps feed the world, creates profitable businesses, and protects the planet at a time when the population is expanding and our resources are increasingly challenged.

OUR VALUE

Ambition

Performing above expectations, taking initiative and constantly working in line with MAIZER ambitions and personal goals.

Curiosity

Asking bold and brave questions. Builds knowledge and powered the inquiry of our founders to impede the 20th century famine.

Collaboration

Working together with mutual respect and appreciation of all perspectives. Collaboration amplifies our collective knowledge.

Accountability

Being reliable, responsible and always having MAIZER and society's interests in mind when faced with tough decisions.

Insecticide

ThiaMax 25 WDG

COMPOSITION

Thiamethoxam 25% WDG

50 gm - 100 gm - 250 gm

ThiaMaxPlus WG

COMPOSITION

Thiamethoxam 10%
Tricosene 0.05% WG

50 gm - 100 gm - 250 gm

AceMax 20 SP

COMPOSITION

Acetamiprid 20% SP
